

Corporate/Commercial

Grundberg Mocatta Rakison LLP's Corporate and Commercial clients operate in diverse industries and may be publicly listed corporations, private or family owned businesses, or professional services firms. GMR's Corporate and Commercial team provides cross-disciplinary, innovative and flexible solutions to meet a wide range of client objectives.

Corporate and Commercial team in particular advises on:

- Public and private takeovers, mergers and acquisitions of companies and businesses: contract negotiations, due diligence and associated transactional work
- Incorporation and structuring of corporate entities, joint ventures, partnerships and limited liability partnerships for UK and international clients, drafting memoranda and articles of association, shareholder and partnership agreements
- Private equity, primary and secondary fund and direct investments: structuring, contract negotiation, due diligence and associated transactional work
- Corporate finance
- Equity and debt securities offerings and listings, global, private and registered offerings, and listings on the UK (including AIM) and other internationally recognised investment exchanges
- Real estate investment trusts (REITs)
- Bank financing
- Structured, acquisition and asset financing
- Financial services
- Commercial contracts
- Agency, distribution, licence, franchise and consultancy agreements
- Intellectual property
- Information technology and e-commerce
- Media and entertainment
- EU and competition law
- Contentious negotiations, including resolving disputes among shareholders and directors
- Corporate recovery and insolvency issues
